

5th Annual SCFOA Hall of Fame Golf Tournament

Greetings from the SCFOA Hall of Fame Committee!

In an effort to grow and develop the annual SCFOA HOF Scholarship program, the committee is pleased to present our fifth annual golf tournament! We are really looking forward to making this a remarkable event. We have booked a wonderful venue- Harbour Pointe Golf Course in Mukilteo, and have a fantastic day planned! There will be 144 players who show up, not to mention all the staff and support. This year's event will be on Friday, June 9th.

We have set a goal of raising \$11,000 via the efforts of this year's event. That is a lofty, but attainable, goal. In order to make it, we need help from people and companies like you! This letter is requesting your sponsorship to make this golf tournament a success, and aid in reaching our fundraising goal. Please remember that the money funds scholarships for local athletes who have given back to their communities while achieving remarkable educational accolades.

It would be sincerely appreciated if you were able to help sponsor this event. As a benefit of your sponsorship, you will be able to reach and market to a large group within Snohomish County. We'll allow any giveaway or name recognition paraphernalia, if so desired to help boost your product or service. We are asking for a pledge of \$500 to become a Hole Sponsor. Our Non-Profit Corporation UBI # is 601050372 (exp: 10/31/17), if needed for tax purposes.

Your support and donation is greatly appreciated. Thank you for helping make this event a success.
